

## ***Dustin Richey Memorial Fund***

*Promoting Education and Suicide Prevention*

***1<sup>st</sup> Annual Dustin Richey Memorial Race  
Sunday November 14, 2004  
Churchill Downs Racecourse***

*The Dustin Richey Memorial Fund was created in honor of Dustin Matthew Richey after his death due to suicide. The Fund is designed to educate our young people and their educators about the symptoms of depression in order to prevent suicide. In addition, the Fund will also award annual scholarships to local high school seniors for the advancement of education. We need your help to jumpstart this great cause and aid in the advancement of our young people, both educationally and mentally.*
